

2019 Festivals

Academic Travel Services, Inc., does not arrange or run the festival competitions in the cities below. However, ATS cooperates with only the finest festival companies and strives to provide you with the lowest possible price without compromising the quality of your tour. We do what we do best – arranging and conducting your tour – and the festival company does what it does best – arranging and conducting the adjudicated festival competition. ATS, in concert with your festival schedule, arranges your transportation, hotel accommodations, meals, attractions, and provides a tour director who accompanies ALL of our trips to ensure that all goes well with your tour.
